

JULY 2018

CLARKS VALLEY ZION E.C. CHURCH —210 MCKELVEY RD. DAUPHIN, PA 17018— WWW.CVZEC.ORG

It may not feel much like Christmas outside but ACT is thinking Christmas in July! We are beginning to plan and seek cast and crew for this December as we prepare for the ACT Drama Group's Annual Christmas Production.

ACT will have an informational meeting (with pizza) on August 26 at 12pm(noon) when we will share info about this year's Christmas production and the audition dates for all those interested. December performance dates and rehearsal days will be set depending on best availability of cast and crew. ACT Drama Group is open to the community—you do not need to attend CVZ Church— and ACT is for all ages: kids, teens, adults and seniors are welcome to participate. If you love being in the spot light, or enjoy working behind the scenes, we want you to be a part of the ACT Drama Group this Christmas. Even if you have no drama or tech experience we are willing to teach if you have an eager heart to learn. Contact act@cvzec.org or Gail Grubb at cvzoffice@cvzec.org for more info.

ACT Committee Meeting Notice:
 The July A.C.T. Committee meeting originally scheduled for July 8th has been moved to Sunday, July 22 after the 2nd Worship Service. All ACT Committee members should try and attend this important planning meeting as we organize for the upcoming ACT productions. See Gail Grubb for questions or concerns.

**SAVE the DATE for Summer fun!
 SATURDAY August 18th**

Admission to Knoebels is FREE. Tickets can be purchased per ride. (no arm bands are sold on the weekends)
 Hotdogs, drink and paper goods will be provided by CVZ Church. A sign up sheet is available online to sign up for what picnic dish or dessert you can bring. Plan to come and enjoy this fun day together as a Church family.

Let us be prayerfully seeking what God has in store for CVZ Church through our 3 year Capital Campaign. We thank you for continuing to honor your commitments in giving financially. May God's hand direct us as we continue to decide on future upgrades and await architectural designs for possible property development.
